
TERMS OF SERVICE ("TERMS")

Effective from: 8th November 2017

Introduction

Please read these Terms carefully before using the Pleo.io website or the Pleo mobile app (the "Service") operated by Pleo Technologies A/S a limited company registered in Denmark (hereafter referred to as "Pleo", "us", "we", "the Company" or "our").

Your access to and use of the Service is conditioned on your acceptance of and compliance with these Terms. These Terms apply to all businesses, visitors, users and others who access or use the Service. This page details the agreement and explains the terms of that agreement. Upon accepting these Terms and using our Services you become a user ("User").

These Terms are separate to the "Pleo Terms and Conditions".

By accessing or using the Service you agree to be bound by these Terms. If you disagree with any part of the Terms then you may not access the Service.

Services provided by Pleo

Pleo shall provide and perform any and all of the Services to you. Pleo may decide to change its Services or add new features in the future. We may subcontract or assign the provision of any and all of the Services. By agreeing to the Terms, you acknowledge and agree that the form and nature of the Services may change without prior notice to you.

You acknowledge and agree that Pleo may suspend or discontinue, without prior notice to you and at the sole discretion, some or all of its Services, making the Services unavailable to you or other users.

Should Pleo decide to suspend or discontinue some or all of its Services, you will, however, be offered a 30 day notice allowing you to collect your data.

You acknowledge and agree that Pleo is not an accounting service and, whilst we strive to attain extremely high levels of service, we cannot guarantee the accuracy or correctness of our automated services such as expense categorization, receipt collection and data export to accounting systems. You agree that you will manually check the accuracy and correctness of such services before using this data.

Subscriptions

Pleo is a paid Service whereby you get access to our Services such as (but not limited to):

- Organisation management tools, onboarding of users, delegation of Mastercard Prepaid cards (virtual and plastic) to users
- Overview of purchase activity

- Purchase notifications and tools to capture receipts, categorize expenses and make comments
- Export functionality to accounting software

The amount of subscription payment (“Subscription fees”) will vary depending on the number of users and which Services you request.

Pleo may at its sole discretion change the fees and charges in effect, or add new fees and charges from time to time, but you will be notified in advance if regular charges increase and will be required to opt-in to new pricing.

You may cancel your account at any time by sending an email requesting account cancellation to support@pleo.io.

If you cancel your Pleo account, your recurring billing schedule will be ended, however, you will be charged for all activity in the month of your cancellation.

There is no cancellation fee, but you are responsible for charges already incurred up until your cancellation, including the month when you canceled your subscription. Pleo is unable to issue subscription refunds after payment is received. If you have funds left in your Pleo wallet, such funds can be refunded subject to a fee. Read more about terms in relation to the Pleo Prepaid Mastercard in “Pleo Terms and Conditions”.

You will be billed at the beginning of the month following a billing period on a recurring basis (“Billing Cycle”). Billing cycles can be monthly, quarterly or yearly.

At the end of each Billing Cycle, your Subscription will automatically renew under the exact same conditions unless you cancel it or Pleo cancels it.

The admin(s) of the Service will be prompted to confirm that their Pleo virtual card pays for the subscription. Should automatic billing fail to occur for any reason, Pleo will contact you. Hereafter you shall ensure to provide a valid payment method within 5 business days. Should you fail to correct your billing details within such notice, Pleo reserves its rights to suspend the Service.

When you create an account with us, you must provide us information that is accurate, complete, and current at all times. Failure to do so constitutes a breach of the Terms, which may result in immediate termination of your account on our Service.

You agree not to disclose your password to any third party. You must notify us immediately upon becoming aware of any breach of security or unauthorized use of your account.
